OBJECTIVES OF THE NEW ZEALAND GUILD OF AGRICULTURAL JOURNALISTS & COMMUNICATORS

- a) To provide an organisation for people engaged in agricultural journalism, communications and allied professions.
- b) To assist in maintaining high standards of agricultural journalism and communications.
- c) To provide opportunities for interaction and liaison among members of the Guild, and for the dissemination of information connected with the profession.
- d) To generally watch over, promote and protect the mutual interests of its members and the advancement of their careers.
- e) To hire and/or employ and to pay people such as contractors as required, to provide approved services to the Guild.
- f) To invest and deal with the moneys of the Guild not immediately required upon such securities and in such a manner as may from time to time be determined.
- g) Promote a better understanding of agriculture, and its place in both New Zealand's economic and social life and in the international economic and social environment.
- h) Have an affiliation with other national and international journalism groups and associations as deemed appropriate.
- i) Organise events such as dinners and annual awards ceremonies which celebrate and promote agricultural journalism and communication and are open to members and non-members.
- j) To do all such other lawful things as are incidental or conducive to the attainment of the above objects or any of them.
